

Fundraiser for the Mayflower Room Roof -In late May, a section of the ceiling in the Mayflower Room collapsed due to a leak in the flat roof above. The ceiling damage is covered by insurance, but the roof needs to be replaced and waterproofed BEFORE insurance work is done and the new ceiling installed. This roof repair is costly and we need your help! The estimate for the roof is \$25,000, which is our fundraising target. Will you pitch in to help us reach our goal? Prayerfully consider giving as much as you are able to Dearborn Congregational Church using an "Improvement Fund" offering envelope in church or the one you received in the mail. Please use the self-addressed stamped envelope included to conveniently return your donation. To date, we've raised over \$6,000. A progress chart in the sanctuary displays our running total, too. Thank you for your generous contributions and God bless!
