

Outdoor Service next Sunday: Provided it's reasonably comfortable, we will hold our worship service outside on the front porch again next week. Masks are required, and everyone will sit at least 6 feet apart. Feel free to bring your own chair, but we'll also have chairs available that you can use. We're using a speaker system hooked up to a microphone so all can hear the service. So pray for good weather and see you there!

Wednesday Morning Coffee, Conversation, & Bible Study with Pastor

Gene: Join us on Wed. at 10:00 AM for our next one-hour Zoom Bible Study: "Twenty-Four Sundays in Pentecost - A Study of the Book of Acts". If you haven't joined a session before, we still encourage you to participate if it fits your schedule because you don't have to have attended previous meetings. Each one stands alone. During this time together, we look at the New Testament church and the ministry of today's church in response to "Acts". This week covers Chapter 15 - "The Council at Jerusalem; Council Letter to Gentile Believers, Disagreement Between Paul & Barnabas". Here's the link: <https://us02web.zoom.us/j/85726573232>

Church Treasurer Needed: After many years of faithful service, Matthew Haling is resigning as Treasurer, effective October 1, so we need a replacement very soon! The Treasurer is an important position, however the work is not particularly time consuming and doesn't require special training. The total time commitment is 2 hours a month. That's right...only 2 hours a month! Plus a handful of other duties that are done only once a year. Matt Haling will train his replacement in person on entering monthly data in the computer spreadsheets and using online banking tools at Citizens Bank. The job can also be done remotely. If interested in serving in this role, please contact John Peters or Arnie Schilbe.

Fundraiser for the Mayflower Room Roof: In May, the ceiling in the Mayflower Room collapsed due to a roof leak. The ceiling is covered by insurance but the roof is NOT because the roof damage is due to wear-and-tear, not an accident. The repair is costly and we need your help! The estimate to fix the roof is \$25,000, which is our fundraising goal. Will you help? Prayerfully consider giving as much as you are able to Dearborn Congregational Church using an "Improvement Fund" offering envelope. You can use the self-addressed stamped envelope that came in the mail over a month ago, if you haven't already, to mail your donation. To date, we've raised over \$11,000. Thank you for your generous contributions!

Canned/Boxed Food Drive for the Lennon Center: The Lennon Pregnancy Center in Dearborn Heights, which provides services to pregnant women who are single and often have other young children, has reached out to us and asked if we would collect donations of canned and boxed foods for Thanksgiving to help out MANY families they serve this year. We are unofficially kicking off this drive on October 1. There will be a box for you to put your donations inside the church.
